

**A CLEAN MAN.**  
Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, but he will be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean blood, a clean heart, new, clear healthy tissues and fibers in every organ of the body. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and constipation originate in unclean stomachs; blood disease is found where there is unclean blood. Consumption and bronchitis mean unclean lungs. Dr. Pierce's Golden Medical Discovery presents these diseases. It makes a man besides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean healthy flesh. It does not make the flesh fat, but the firm flesh of energy. It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol to lubricate or create craving for injurious stimulants.

Mr. John L. Conley, of Cincinnati, says: "My appetite was unusually poor, and I was weak and nervous as though I had been starved for days. I took your Golden Medical Discovery and soon recovered and I was stronger healthily. Finally I wrote to you for another bottle, and you sent me one, and a third time. I did not think my doctor was right, but I ordered six bottles of Golden Medical Discovery and I am now well again. After using three bottles I began to feel better, and after using six bottles I am now working ever since."

Constipation is the most uncleanliness. Dr. Pierce's Pleasant Pills cure it. They never gripe.

The above picture of the man and fish is the trademark of Scott's Emulsion, and is the synonym for strength and purity. It is sold in almost all the civilized countries of the globe.

If the cod fish became extinct it would be a world-wide calamity, because the oil that comes from its liver surpasses all other fats in nourishing and life-giving properties. Thirty years ago the proprietors of Scott's Emulsion found a way of preparing cod liver oil so that everyone can take it and get the full value of the oil without the objectionable taste. Scott's Emulsion is the best thing in the world for weak, backward children, thin, delicate people, and all conditions of wasting and lost strength.
